

**CITY OF LODI  
COUNCIL COMMUNICATION**

**AGENDA TITLE:** Public Hearing to Consider Resolution Adopting the Amended Impact Mitigation Fee for Streets and Roads and Amended Exhibits I and J of the Development Impact Fee Update Study, October 2001

**MEETING DATE:** July 21, 2004

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** That the City Council conduct a public hearing to consider a resolution adopting the amended Impact Mitigation Fee for Streets and Roads and amended Exhibits I and J of the Development Impact Fee Update Study, October 2001.

**BACKGROUND INFORMATION:** City Council adopted Resolution 2001-242 amending Development Impact Mitigation Fees for all developments within the City on October 17, 2001. The report, "Development Impact Fee Update Study", prepared by Harris & Associates, was benchmarked to June 30, 1999 for determining future IMF program capital expenditures. The fees set by Resolution 2001-242 included an adjustment to January 1, 2001 using the ENR Twenty Cities Construction Cost Index. Subsequently, all IMF fees have been adjusted using that ENR index on January 1, 2002, January 1, 2003, and January 1, 2004.

In the report, "Development Impact Fee Update Study", one facility cost in the Streets and Road category was inadvertently excluded from the listing of program costs shown in Exhibit I of the report. The program cost not included was the fair share cost assigned to new development for street and road facilities constructed prior to 1991 with excess capacity to serve new development. The revised Exhibit I is attached and the added facility cost is shown in bold on Page 3.

As of June 30, 1999, the total cost of all street and road facility projects should have been \$20,393,443. Subtracting from that the fund balance on June 30, 1999 of \$1,937,111 leaves a Streets and Road funding requirement of \$18,456,332. Therefore, the calculation of the updated fee should have set the base fee for low density residential development at \$8,139 per acre of development, an increase of 6.85%. The suite of Streets and Road Fees (as of June 30, 1999) is provided in revised Exhibit J of the report, "Development Impact Fee Update Study" and serves to amend the report. Exhibit One presents the listing of Streets and Road Fees for the Council to adopt by resolution that have been adjusted using the ENR index for the period of June 30, 1999 to January 1, 2004.

**RESOLUTION NO. 2004-144**

A RESOLUTION OF THE LODI CITY COUNCIL ADOPTING AMENDED IMPACT MITIGATION FEE FOR STREETS AND ROADS, EXHIBIT ONE, AND AMENDED EXHIBITS I AND J OF THE DEVELOPMENT IMPACT FEE UPDATE STUDY, OCTOBER 2001

WHEREAS, the City Council adopted Resolution 2001-242 amending Development Impact Mitigation Fees (IMF) for all developments within the City on October 17, 2001. The report, "Development Impact Fee Update Study," prepared by Harris & Associates, was benchmarked to June 30, 1999, for determining future IMF program capital expenditures. The fees set by Resolution 2001-242 included an adjustment to January 1, 2001, using the Engineering News Record (ENR) Twenty Cities Construction Cost Index. Subsequently, all IMF fees have been adjusted using that ENR index on January 1, 2002, January 1, 2003, and January 1, 2004; and

WHEREAS, in the report, "Development Impact Fee Update Study," one facility cost in the Streets and Road category was inadvertently excluded from the listing of program costs shown in Exhibit I of the report. The program cost not included was the fair share cost assigned to new development for street and road facilities constructed prior to 1991 with excess capacity to serve new development. The revised Exhibit I is attached and the added facility cost is shown in bold on Page 3 of that Exhibit; and

WHEREAS, the suite of Streets and Road Fees (as of June 30, 1999) is provided in revised Exhibit J of the report, "Development Impact Fee Update Study," and serves to amend the report. Exhibit One presents the listing of Streets and Road Fees for the Council to adopt by resolution that have been adjusted using the ENR index for the period of June 30, 1999 to January 1, 2004.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council hereby adopts the amended Impact Mitigation Fee for Streets and Roads, Exhibit One, and amended Exhibits I and J of the Development Impact Fee Update Study, October 2001.
